

# City Hall Weekly Highlights

## June 9, 2016

---

### **CITY MANAGER:**

**Paul Blanco's Good Car Company Update:** Staff is still working with Paul Blanco's Good Car Company officials to finalize the necessary steps in order to open their dealership for vehicle sales late this month. The closing of escrow for the Four Wheel Drive property, which Paul Blanco needs for additional vehicle storage, was delayed due to title insurance issues which have been resolved. Escrow is expected to close this week or early next week and Paul Blanco's Good Car Company expects that their telephone and other office equipment installation will be completed the following week so that the dealership can open for vehicle sales before the end of this month. They have secured their DMV Permit for the Norco dealership. On a related matter, staff met with Electronic Media Inc. (EMI), Paul Blanco's Good Car Company officials, Hemborg Ford officials, and Browning, Dodge, Jeep officials to facilitate discussions on how Paul Blanco's Good Car Company can participate in the use of the Norco Auto Mall sign to meet their freeway advertising needs. Going forward, staff will only play a "facilitator role" in the discussion between the Norco Auto Dealers Association (Hemborg and Browning) and Paul Blanco regarding participation and basis for cost sharing for all parties. The City will not be participating in the cost of additional improvements to the Norco Auto Mall sign.

**Survey and Compaction Testing Requirements for City Contracts:** At the last Council meeting, Mayor Pro Tem Newton posed the question as to why the City elects to provide and pay for survey and/or compaction testing by a third party rather than having the contractor take responsibility for such work. This practice was implemented in the past due to inadequate staffing and some questionable work by contractors. However, things have improved on both fronts. Therefore, the City will begin to incorporate into future specifications that both survey and compaction testing will be part of the work to be provided by contractors.

**Quarterly Meeting with Navy:** The quarterly meeting with the Navy to consult on historic resources pursuant to the provisions of Section 106 of the National Historic Preservation Act was held this week. In attendance at the meeting were City staff, Council representatives, Navy staff, representatives from Congressman Ken Calvert and Assemblyman Eric Linder's offices, representative from LNCF and representative from the City's Historic Preservation Commission. During the meeting, the Navy provided status updates regarding various capital improvement projects (buildings, lake, photovoltaic arrays) at the Navy base in Norco. Detailed information regarding projects scope and status can be obtained from the City Clerk's Office. During the meeting, it was noted that Captain Hardy, Navy Commanding Officer will be retiring soon and change of command will be taking place on August 25, 2016. More information on this will be coming from the Navy.

**West Nile Virus:** The first indications of West Nile virus in 2016 have been detected in a sample of mosquitoes collected in the City of Norco. The mosquitoes tested positive for the virus on June 8, 2016. For more information, please see attached Press Release from Northwest Mosquito and Vector Control District.

# NORTHWEST MOSQUITO AND VECTOR CONTROL DISTRICT

## **For Immediate Release**

Thursday, June 9, 2016

### **First Indications of West Nile virus in 2016**

Norco, CA. The first indications of West Nile virus in 2016 have been detected in a sample of mosquitoes collected from the City of Norco. The mosquitoes tested positive for the virus on June 8, 2016. The Northwest Mosquito and Vector Control District routinely monitors populations of adult mosquitoes and tests groups of adult female mosquitoes for the presence of mosquito-borne viruses.

District staff will continue to canvass the area to look for and treat mosquito breeding sources. They will also post signs alerting residents of the detection of the virus along with preventative measures the public can take to keep from becoming infected with West Nile virus.

The District urges the public to conduct routine inspections on their properties for mosquito breeding sources. Please look for any standing water around your home or neighborhood. Remove the water source or contact the Northwest Mosquito and Vector Control District to inspect and treat the source. Remember, mosquitoes can complete their lifecycle in just one week in a water source as small as a bottle cap. If you find a dead bird, please call (877)-WNV-BIRD as soon as possible. Dead birds will be submitted for testing for mosquito-borne viruses.

Northwest Mosquito and Vector Control District urges residents to take the following precautions to avoid being bitten by mosquitoes:

- Eliminate any standing water around your house.
- Make sure all windows and door screens on your house are in good repair and tight fitting.
- Wear a mosquito repellent that contains DEET®, Picaridin, Oil of Lemon Eucalyptus or IR 3535.
- Limit outdoor activities during dusk and dawn hours.
- Contact the Northwest Mosquito and Vector Control District to report standing water or mosquito activity.

Contact the Northwest Mosquito and Vector Control District at **951-340-9792** with any questions or concerns. You may also visit our website at [www.northwestmvcd.org](http://www.northwestmvcd.org).

## **FISCAL AND SUPPORT SERVICES:**

**Bill Processing:** Staff mailed out 1,903 utility bills to Group 4 customers and assessed penalties to 357 delinquent accounts totaling \$5,570. We also mailed out 258 delinquent notices and billed for tag fees totaling \$4,128 to Group 3 utility customers that had not paid their bill on time.

**Business License and Cash Receipts:** Staff processed a combined total of 2,050 cash receipts from the building counter, Parks and Recreation, utility customers and other miscellaneous accounts receivables totaling \$4,399,385. This week the City received \$112,869 from the Redevelopment Property Tax Trust Fund and \$3,679,958 for the successor agency in accordance with the Recognized Obligation Payment Schedule (ROPS).

**Meeting with Auditors:** Gina Schuchard, Olivia Hoyt and Melinda Van met with Bob Callanan and Michael Glabb from the firm, White Nelson Diehl Evans, this week. They were provided an update on the recent GASB pronouncements that would impact the City and new guidance regarding the single audit. Staff also provided them with an update on the City's progress in resolving any issues from the prior year management comments. Next week Diehl Evans auditors will be performing an interim audit for three days and will be gathering information to prepare for the final audit in September.

## **PARKS, RECREATION, AND COMMUNITY SERVICES:**

**Summer Concerts in the Parks:** Norco's Summer Concerts in the Park kicks off the summer series this Friday, June 10, 2016 with "Yard Sale". Concert is from 6-8 p.m. at Pikes Peak Park. Admission and parking are FREE! Food and refreshments will be available for purchase courtesy of the Norco Lions Club. Bring the entire family and your friends! Thank you to our sponsors Norco Lions Club, Air Temp, Inc., RURAL, Norco Mounted Posse, Norco Horsemen's Association, Riverside County District 2 Supervisor Tavaglione and Waste Management.

**Norco Founder's Day 5K Run/Walk and Equestrian Ride:** Norco Founder's Day 5K Run/Walk and Equestrian Ride is taking place this Saturday, June 11, 2016 at Norco College. For more information on the event, please visit [www.lakenorconianclub.org](http://www.lakenorconianclub.org) or call 951.254.7162.

**Summer Basketball Camp:** Registrations are being accepted for the Summer Basketball Camp for both boys and girls being held the week of July 11-15, 2016. Girls' camp is from 11a.m.-1p.m. daily and boys' camp is from 2p.m.-4p.m. daily.

**Summer Kidz Camp:** Summer Camp is going on now! This summer recreational program for kids 5-12 years of age is filled with weekly activities, fun projects and field trips for children to enjoy while on school break. Weekly Summer Kidz Camps are available Monday through Friday 7 a.m.-6 p.m. starting June 6, 2016 through August 5, 2016. For more information, please call 951.272.1619.

**Wee People Playschool:** Summer is here with continued fun, games and learning at Wee People Playschool! This week, the children getting ready to enter into kindergarten in the Fall graduated from the Wee People Playschool program with a ceremony and celebration! Congratulations to all the Wee People super stars that are moving on to extraordinary things! Staff would like to thank all the parents for their support and trust in making a positive impact in your child's life!

**Astronomy Night in Norco:** Stargazers, mark your calendar for Tuesday, June 14, 2016 from 8pm-9:30p.m. at Corydon Staging Area. Join the Riverside Astronomical Society to view Earth's only natural satellite, the Moon! You may also get a glimpse of "The Red Planet" Mars, the amazing Saturn and its rings, and the "Giant Planet" Jupiter. This free event is subject to cancellation due to inclement weather conditions. For more information, please call 951.270.5632.

**Chair Volleyball:** Older adults had an opportunity to play indoor chair volleyball at the Rose M. Eldridge Senior center on Wednesday, June 8, 2016 from noon-2p.m. This activity is free and open to those 50 years and better. If you missed this week, you're in luck...as it returns next Wednesday, June 15<sup>th</sup>! Hope to see you there! For more information, please call 951.270.5647.

**Seniors and Pets Breakfast:** Seniors and Pets Breakfast will take place on Saturday, June 11, 2016 from 9 a.m.-noon at the Rose M. Eldridge Center.

**Talent Show Time!** Party Partners will shine on Friday, June 10, 2016 at their annual Talent Show. Participants will have the opportunity to share their special talents and wow the crowd and judges! Medals will be provided. Thank you to American Legion Women's Auxiliary for their continued support and supply of refreshments and to Assembly of God Church in Norco for program funding!

### **George Ingalls Equestrian Event Center**

- George A. Ingalls Veteran's Memorial Plaza is open daily from 10 a.m. to dusk.
- Weekly Community Barrel Racing is scheduled Thursday, June 9<sup>th</sup>.
- Open recreation riding is closed and will resume Wednesday, June 8<sup>th</sup>, June 13<sup>th</sup>-14<sup>th</sup>
- Angel Baby's Super Big Oldies Show will be held at Nellie Weaver Hall Amphitheater on Sunday, June 12, 2016 from 3 p.m. to 8 p.m. Tickets are \$30 & \$5 parking. For event details, please call Charlie at 951-880-4758.

### **Parks and Building Maintenance Services**

During inspections of the LMDs, Staff found furniture in LMD 4. It looks like it could have been a hangout for teenagers. All items have been removed.

City Council approved chandeliers from the Lake Norconian Club to be stored in the Bob and Karlene Allen Room. Staff constructed a safe and sturdy stand for the chandeliers to hang so they will not be damaged.

## **PUBLIC WORKS:**

### **Potable Service Line Repairs:**

- 4181 Temescal – Jumped on new 1” straight stop
- 3091 Sierra Ave – vacuum excavated and repaired leaking 1” poly service

- The following letter was hand delivered to all residents on Bluff St between Stagecoach and River Rd, receiving the new vinyl equestrian trail fence. Removal of the existing fence is scheduled to be removed on Monday, June 13, 2016

**CITY of NORCO**

CITY HALL • 2870 CLARK AVENUE • NORCO CA 92860 • (951) 735-3900 • [www.norco.ca.us](http://www.norco.ca.us) • 

**Trail Fence Replacement Notice**

On Wednesday, June 2, 2016 the City Council awarded the contract for installation of new trail fencing in your area. The removal of the existing wooden trail fence is being completed by City Staff along with the supervised assistance of our Cal-Fire CDF crews and/or Riverside County Work Force Program participants. Installation of the replacement trail fencing will be completed by outside contractor in accordance with City standard.

The City will begin the removal of the existing fence material on **Monday, June 13, 2016**. All of the existing fence material will be removed throughout the entire project area prior to the contractor beginning installation of the replacement fencing. There may be several weeks between the removal of the existing fencing and the installation of the new material dependent upon material acquisition, contractor scheduling, weather conditions, etc.

If you have modified the parkway in front of your house in any way or if you have plant material growing on the existing fence, our crews will not be responsible for any damage or replacement of this material. You may remove the material prior to the work that is to be completed by the City if you would like to prevent possible damage. All wooden trail fencing will be removed. We ask that the location of any irrigation lines and/or decorative landscape lighting wires placed in the right of way be reported to City staff to minimize potential damage.

The horse trails will be closed while work is being performed but will be reopened daily. For the safety of the general public, equines and the work crews we request that all people using the pedestrian/equestrian trails respect the closures and do not enter the work zones. Signs indicating which trail sections are closed will be placed daily prior to the beginning of any work

Safety will be our first priority throughout this project.

Thank you for your cooperation,

Terrence Piorkowski  
Public Works Superintendent

**YOU'RE  
ONLY A  
QUARTER  
AWAY**

Don't sit at home and play video games this summer. Get out and have some fun with a little help from the Riverside Transit Agency. For the entire summer, RTA is offering all students, grades 1 through 12, 25-cent fares aboard any bus. Just flash your student ID and ride for a quarter to the movies, the mall, the beach — anywhere we go, anytime we operate. And if you have a summer job, we'll take you there too.

Plus, with comfortable seating, free Wi-Fi service and USB ports in most buses, there's never been a better time to ride the bus. Show up in style, not in Mom's minivan.

Parents, rest assured that we'll get your kids where they need to go safely. With trained drivers and a clean environment, passenger safety is our number one priority.

**STUDENTS  
RIDE RTA  
BUSES  
FOR ONLY  
25¢ ALL  
SUMMER  
LONG**

Planning your day is easy. Use the Google bus trip planner or contact our Customer Information Center at (951) 565-5002 to plan your next trip. We're open until 10 p.m. every day.

On the back of this flyer are just some of the cool things you can do this summer. Some require a short walk, skateboard or bike ride to and from the bus stop. And yes, you can take your bike or skateboard on the bus. If you're going to the beach, you can also take your surfboard. »

|-------------------------|-----|

## HERE'S THE DEAL

Students ride for a quarter from June 1 through September 10. To ride for a quarter, students in grades 1-12 just need to show a school-issued student ID card from the most recent school year, an RTA Youth ID card, or a California driver's license or state ID showing the student is 18 years old or younger.

**PLANNING DEPARTMENT AND BUILDING DIVISION:**

**Approved Special Events:**

- 6-1-16 to 12-1-16: Extensions for temporary food preparation and service modulars (SilverLakes)
- 6-9-16: 2-minute graduation fireworks display, Norco College
- 6-6 thru 6-10, 2016: Cub Scout day camp, Church of Jesus Christ of Latter Day Saints, 3600 Norconian Dr.
- 5-16-15 to 6-16-19: Anniversary Event sign, 1999 River Road (Stater Bros.)
- 5-16-15 to 6-16-19: Anniversary Event sign, 2790 Hamner Avenue (Stater Bros.)

**Planning:**

New Applications:

|                         |                                 |
|-------------------------|---------------------------------|
| Conditional Use Permit  | (1 commercial, 1 residential)   |
| Special Sign Permit     | (freeway sign)                  |
| Specific Plan Amendment | (2: Gateway SP; Norco Hills SP) |
| Zone Code Amendment     | (2: Parking; Signs)             |

Additional Highlights:

- Staff finalized and sent out the summary of discussions of a sub-committee regarding land use options for the former Norco Egg Ranch property and what the agreed-upon recommendation will be to the Planning Commission which is anticipated to go to the July 13, 2016 meeting. A copy of the letter is posted on the City's website.

**Building Division:**

Additional Highlights:

- Permit for the Silverlakes concessionaire building was issued this week, but will show up in next week's figures.

**NORCO SHERIFF'S DEPARTMENT:**

**DUI Checkpoint Planned:** The Norco Sheriff's Office will be conducting a DUI/Driver's License Checkpoint on Saturday, June 11, 2016, at an undisclosed location within the city limits between the hours of 8:00 p.m. to 3:00 a.m.

The deterrent effect of Driving Under the Influence (DUI) checkpoints is a proven resource in reducing the number of persons killed and injured in alcohol or drug involved crashes. Research shows that crashes involving an impaired driver can be reduced by up to 20 percent when well-

publicized DUI checkpoints and proactive DUI patrols are conducted routinely. In California, this deadly crime led to 802 deaths in 2012 because someone failed to designate a sober driver. Nationally, the latest data shows nearly 10,000 were killed by an impaired driver. Officers will be looking for signs of alcohol and/or drug impairment, as well as checking drivers for proper licensing. Motorists should only be slightly inconvenienced. Specially trained officers will be available to evaluate those suspected of drug-impaired driving. Recent statistics reveal 30 percent of drivers in fatal crashes had ingested one or more drugs. A study of active drivers showed more tested positive for drugs that may impair driving (14 percent) than did for alcohol (7.3 percent). Marijuana was the most prevalent drug, at 7.4 percent, slightly more than alcohol.

According to the National Highway Traffic Safety Administration (NHTSA), checkpoints have provided the most effective documented results of any of the DUI enforcement strategies, while also yielding considerable cost savings of \$6 for every \$1 spent. Nearly 90 percent of California drivers approve of DUI checkpoints. DUI Checkpoints are placed in locations based on collision statistics and frequency of DUI arrests, affording the greatest opportunity for achieving DUI driving deterrence. Locations are chosen with safety considerations for the officers and the public.

Drivers caught driving impaired can expect the impact of the arrest to include jail time, fines, fees, DUI classes, and other expenses that can exceed \$10,000. The DUI arrest is public information and can expose the violator to a degree of public embarrassment. Funding for this checkpoint is provided to the Norco Sheriff's Office by a grant from the California Office of Traffic Safety, through the National Highway Traffic Safety Administration, reminding everyone to "report drunk driver/call 911."

**Special Olympics Torch Relay:** On Monday, June 6, 2016, the Riverside County Sheriff's Department, Jurupa Valley Station (JVS), participated in the Law Enforcement Torch Run for the Special Olympics. JVS participants included station administration, deputies, members of the explorer program, the California Department of Corrections, as well as members from your local Norco Sheriff's Office. JVS participants were

eager to receive the torch from Ontario Police Department at the intersection of Hamner Avenue and Riverside Drive, in Ontario. JVS Staff and the Norco Sheriff's Office ran with the torch alongside Hamner Avenue through the cities of Eastvale and Norco, both of which are serviced by the Riverside County Sheriff's Department, Jurupa Valley Station. The Riverside County Sheriff's Department team ran with the torch for a distance of over eight miles, until passing it on to the Corona Police Department at the intersection of Hamner Avenue and Hidden Valley Parkway. We support the Special Olympics and were proud to be a part of this great event!

**Robbery Arrest:** On Tuesday, May 31, 2016, about 12:00 p.m., the Norco Sheriff's Office responded to a reported armed robbery at a cellular telephone business, located in the 1800 block of Hamner Avenue, Norco. The suspect entered the store, produced a handgun, and demanded money from the employee. After obtaining an undisclosed amount of money, the suspect fled in an unknown direction.

Through a thorough and comprehensive investigation spanning several days, the Norco Sheriff's Office Special Enforcement Team was able to identify the suspect's vehicle. The suspect's vehicle information was shared with other law enforcement agencies.

On June 2, 2016, about 4:30 p.m., the suspect vehicle was located and stopped in the city of Fontana by the Fontana Police Department. The driver of the vehicle was identified as Steven Bradley Telford, a 47-year-old Fontana resident. Telford matched the description of the Norco robbery suspect. A search of the vehicle by the Fontana Police Department revealed evidence related to the Norco robbery as well as other crimes. Telford also had an outstanding arrest warrant for armed robbery out of San Bernardino County.

The Norco Sheriff's Office Special Enforcement Team responded to the Fontana Police Department to continue their investigation. After completing the investigation, Telford was identified as the suspect in the May 31, Norco armed robbery. Telford was arrested by the Fontana Police Department and booked into a San Bernardino County jail facility for several felony charges, unrelated to the Norco robbery. Robbery charges have been submitted to the Riverside County District Attorney's Office. Telford remains in-custody with the San Bernardino County Sheriff's Department.

The Norco Sheriff's Office is committed to the safety of the citizens of Norco and is vigilant in combating crime. Any businesses or law enforcement agencies with similar armed robberies are encouraged to contact Deputy Mendez at 951-270-5673.

**Burglary Arrest:** On May 15, 2016, deputies investigated a burglary and vandalism at the Norco High School in the 2000 block of Temescal Ave., in the City of Norco. The investigation revealed suspects entered the campus, stole property, and damaged two rooms. On May 31, 2016, the School Resource Officer assigned to Norco High School investigated an additional vandalism at the school, located in the 2000 block of Temescal Ave., in the City of Norco. In the latest incident, unknown suspects entered the campus on May 28, 2016 and committed acts of vandalism. The investigation developed several leads identifying suspects in both crimes. Six juveniles, four males and two females, were arrested for burglary and vandalism. The juveniles, all Norco residents, were released to their parents. The case was submitted to the juvenile District Attorney's Office for criminal prosecution.

The Riverside County Sheriff's Department is committed to the safety of the citizens of Norco and will be vigilant in investigating all crimes of this nature. This investigation is ongoing and we are asking anyone with additional information to contact Deputy Mendez at the Norco Sheriff's Office at 951-270-5673.

### **FIRE DEPARTMENT / CAL FIRE:**

**Haz-Mat Incident:** On June 4<sup>th</sup>, CALFIRE/Riverside County Firefighters responded to a multi-car traffic collision on Interstate 15 north bound at Sixth Street Street. Engine 47 was first on scene and reported a two-vehicle traffic collision with an active fuel leak. The fuel leak was approximately 30 gallons and had spread across all lanes of the freeway. The Firefighters quickly contained the leak so that there was no run off into the Santa Ana River.

**Training:** On June 7<sup>th</sup> Station 47 hosted an Animal Handling Training taught by NART. Engine Company 47 and Truck 17 were in attendance. The course taught firefighters the proper way of approaching a horse, putting on a halter, and leading a horse. Firefighters also got an opportunity to load horses into a trailer and off load them

**PSA:** Your safety and preparedness is important to the men and women of the Riverside County Fire Department. Remember 1,2,3 C-A-B to Save a Life.

**Remember 1, 2, 3 C-A-B to Save a Life**

- 1 Check the scene**-Make sure it is safe for you to help. Don't become a victim.
- 2 Check the victim**-Tap and shout to get a response.
- 3 Call for Help** - call 9-1-1, or tell someone to call.  
If you are alone with an adult, call first then start CPR if needed.  
Call for any unconscious victim, whether they are breathing or not.

**C Circulation** - pump the chest 30 times.  
Place the heel of one hand in the center of the chest and your other hand on top of it.  
Press chest down at least 2 inches at a rate of 100 to 120 per minute.

**A Airway**- tilt head back lift chin up to open airway.

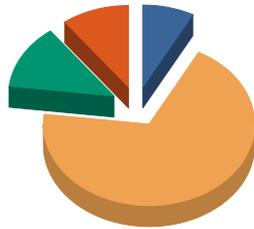

**B Breathing** - Pinch nose closed, take a normal breath, cover victim's mouth with yours and blow out your breath until you see the chest rise. Give a second breath. Take about 1 second per breath. If the chest doesn't rise, open airway again.

**Repeat C - A - B** until help arrives or the victim begins breathing.

May 16<sup>th</sup> - 20<sup>th</sup> 2016 is National EMS Week. For more information on CPR please visit the American Heart Association at [www.cpr.heart.org](http://www.cpr.heart.org) and follow us on Twitter at @CALFIRERRU or Facebook at CAL FIRE/Riverside County Fire Department.
