Modifications to existing fees in addition to annual CPI increase for FY 2016-17

Department: Animal Control

The Norco Animal Shelter did a survey of general fee's to see if we were in line with other neighboring cities. Three areas were found to be significantly lower at Norco Animal Shelter vs other nearby shelters. All the increases that are proposed will bring us closer to the other areas while still maintaining a reasonable increase that still projects us below the other cities. They are the following:

- Dog and Cat Daily Board
- Large Livestock Daily Board
- Unaltered Dog License

Fee: Daily Boarding - Cats / Dogs

Existing Fee: \$6.00

Proposed Fee: \$10.00

Reason/Justification for Fee Increase:

The operating cost of the shelter is going up. Supplies to clean the shelter and the kennels all have increased, i.e. Triple Two disinfectant, Drain Eliminator, Brushes, disposable gloves to name a few. The cost for employees to clean the kennels has gone up as well.

Fee: Daily Boarding - Large Livestock

Existing Fee: \$10.00

Proposed Fee: \$14.00

Reason/Justification for Fee Increase:

The cost of hay continues to go up along with other supplies, i.e. salt blocks, senior feed, shaving for the corrals, manure wagons, rakes etc.

Fee: Daily Boarding – Dog License-Unaltered

Existing Fee: \$55.00-1 yr. / \$93.00-2 yr. / \$125.00-3 yr.

Proposed Fee: \$70.00-1 yr. / \$130.00-2 yr. / \$195.00-3 yr.

Reason/Justification for Fee Increase:

Norco Animal Shelter is significantly lower for our unaltered dog licenses than the surrounding animal shelters. All shelters charge more for their unaltered dog licenses to encourage residents to alter their pets. Unaltered pets can be destructive to personal property when loose i.e. chase livestock, injure other animals or get hit themselves while loose, they in turn perpetuate the problem of overpopulation by breeding other unaltered dogs while loose.
