CITY OF NORCO'S HOUSING SUCCESSOR (SB341) ANNUAL REPORT

PURPOSE

This Housing Successor Annual Report (Report) regarding the Low and Moderate Income Housing Asset Fund (LMIHAF) has been prepared pursuant to California Health and Safety Code Section 34176.1(f) and is dated as of June 30, 2017. This Report sets forth certain details of the CITY OF NORCO (Housing Successor) activities during Fiscal Year 2016-2017. The purpose of this Report is to provide the governing body of the Housing Successor an annual report on the housing assets and activities of the Housing Successor under Part 1.85, Division 24 of the California Health and Safety Code, in particular sections 34176 and 34176.1 (Dissolution Law).

The following Report is based upon information prepared by Housing and Finance Staff and information contained within the independent financial audit of the Low and Moderate Income Housing Asset Fund of the CITY OF NORCO for Fiscal Year 2016-2017 as prepared by White Nielsen Diehl Evans LLP, which Audit is separate from this annual summary Report.

BACKGROUND

On December 29, 2011, the California Supreme Court delivered its decision in the California Redevelopment Association v. Matosantos case, finding Assembly Bill X1 26 (the "Dissolution Act") largely constitutional and Assembly Bill X1 27 (the "Alternative Redevelopment Program Act") unconstitutional. The Court's decision means that all California redevelopment agencies, including the Norco CRA dissolved effective February 1, 2012 per Health and Safety Code Section 34172(a)(1). Upon dissolution, the Norco CRA's non-housing funds and assets was turned over to a Successor Agency (the "Successor Agency") charged with the responsibility of "winding down" the former Norco CRA. However, on January 11, 2012, pursuant to Health and Safety Code Section 34176(b)(2), the City elected not to retain the responsibility for the housing assets and functions of the former Norco CRA due to funding and program requirement uncertainties per Council adopted Resolution No. 2012-02.

Subsequent efforts to have the Housing Authority of the County of Riverside or State Department of Housing and Community Development to serve as the Successor Housing Entity were unsuccessful. Based on consultation with the Department of Finance (DOF), it was determined that it would be in the best interest of the City and its residents for the City to serve as the Housing Successor Agency by retaining all the housing assets of the former Norco Community Redevelopment Agency (Norco CRA) and continuing to perform the housing functions of the former Norco CRA subject to availability of funds.

In a letter dated February 7, 2014 (attached), the DOF responded to a City letter dated January 16, 2014 (attached) regarding the City's ability to serve as the Successor Housing Agency and be reimbursed for the cost of performing the necessary functions by stating "Specifically, if the City of Norco elects to retain the authority to perform housing functions of the former RDA, it would retain all rights, powers, duties, and assets of the former housing agency. Therefore, the City of Norco, acting as the Housing Successor Agency, could enter into contracts, dispose of housing assets, and utilize housing assets as it determines. That includes selling those assets and using those proceeds to fund administrative expenses. The DOF does not have the authority to review the actions of the Housing Successor Agencies. Furthermore, such an election by the City of Norco to serve as the Housing Successor Agency does not require approval by the DOF, or any other state agency, in order to become effective." However, it is to be noted that the City's election is subject to the approval of the Successor Agency Oversight Board.

The City Council, serving as the Successor Agency to the Norco Community Redevelopment Agency, approved the election to now serve as the Successor Housing Agency on August 20, 2014.

On September 29, 2014, the Oversight Board of the Successor Agency to the Norco Redevelopment Agency approved the City's election to serve as the Successor Housing Agency to the former Norco CRA and accept the housing assets and functions.

City of Norco's Housing Assets and Functions

According to the Dissolution Act, the Housing Successor Agency does not receive any tax increment allocation. The only source of revenue to pay program and administrative expenditures will come from cash on hand and from future collection of receivables and sales of property. The following Housing Successor Agency functions will be performed by the City subject to availability of funds:

1. First-Time Home Buyer Loan and Grant Program;
2. Emergency Grant Program;
3. Home Improvement Loan and Grant Program;
4. Infill Housing Program;
5. Utility Assistance; and
6. Other programs as appropriate.

These functions of the Housing Successor Agency will be performed by a part-time employee to contracted out to a third party.

- 2) A statement of the balance in the LMIHAF as of the close of the fiscal year, distinguishing any amounts held for items listed on the Recognized Obligation Payment Schedule from other amounts.
- 3) A description of expenditures from the fund by category, including, but not limited to, expenditures (A) for program administration and monitoring and preserving the affordability of units with affordability covenants, (B) for homelessness prevention and rapid rehousing services, and (C) for development of affordable housing.
- 4) Statutory value of real property owned by the housing successor, the value of loans and grants receivable, and the sum of these two amounts.
- 5) Description of any transfers made.
- 6) Description of projects that receive funding through the Successor Agency’s Recognized Obligation Payment Schedule and the status of the projects.

6) **PROJECT DESCRIPTIONS**

7) **STATUS OF COMPLIANCE WITH SECTION 33334.16**

Section 34176.1 provides that Section 33334.16 does not apply to interests in real property acquired by the Housing Successor on or after February 1, 2012; however , this Report presents a status update on the projects related to such real property.

With respect to interests in real property acquired by the former redevelopment agency prior to February 1, 2012, the time periods described in Section 33334.16 shall be deemed to have commenced on the date that the Department of Finance approved the property as a housing asset in the LMIHAF; thus, as to real property acquired by the former redevelopment agency now held by the Housing Successor in the LMIHAF, the Housing Successor must initiate activities consistent with the development of the real property for the purpose for which it was acquired within five years of the date that DOF approved such property as a housing assets.

9) **EXTREMELY-LOW INCOME TEST**

Section 34176.1(a)(3)(B) requires that the Housing Successor must require at least 30% of the LMIHAF to be expended for development of rental housing affordable to and occupied by households earning 30% less of AMI. If the Housing Successor fails to comply with the Extremely-Low Income requirement in any five-year report, then the Housing Successor must ensure that at least 50% of the funds remaining in the LMIHAF be expended in each fiscal year following the latest fiscal year following the report on households earning 30% or less of AMI until the Housing Successor demonstrates compliance with this requirement. This information is not required to be reported until 2019 for the 2014-2019 period. The City of Norco received the Housing Successor programs in FY14-15 and should not be required to report until 2020 for the 2015-2020 period.

10) SENIOR HOUSING TEST

This report must include an accounting of deed-restricted senior rental units that were produced over the last ten years. The Housing Successor must expend no more than 50% of the aggregate total number of senior housing units produced by the Housing Successor or City during the last ten years. Exceeding this limitation will prohibit the use of Housing Asset Funds to subsidize any senior rental units.

Description	1/1/2006- 12/31/2017
# of Assisted Senior Rental Units	86.00
# of Total Assisted Rental Units	86.00
Senior Housing Percentage	100%

11) EXCESS SURPLUS TEST

Excess surplus calculations were once performed by redevelopment agencies on an annual basis, and are intended to ensure that funds are expended to benefit low-income households in an expeditious manner. Generally speaking, funds should be encumbered within four years of receipt. SB 341 reinstates this calculation for housing successors. Excess surplus is defined by H&SC Section 34176.1(d) as “ an unencumbered amount in the account that exceeds the greater of one million dollars, or the aggregate amount deposited into the account during the housing successor’s preceding four fiscal years, whichever is greater.”

The first meaningful calculation of this total cannot be performed until the close of the fifth fiscal year. Once four years of deposits have been established, at the close of the fifth year, (FY2018-2019) the Housing Successor will have to perform a true excess surplus calculation, comparing the unencumbered fund balance to the prior four years deposits. As the general purpose of the excess surplus calculation is to ensure that money is expended for low-income purposes, the best action for the Housing Successor is to use the next four years to encumber or expend money currently on deposit.
