DOG LICENSING

Norco residents are allowed to purchase a one, two or three year dog license as long as the Rabies Vaccination will not lapse during the licensing period. All dogs are required by law to be licensed by the age of four (4) months. To purchase a dog license, the dog must be vaccinated by a licensed veterinarian and the owner must provide a California approved rabies vaccination certificate. Initial rabies vaccinations are good for a 12-month period, but subsequent vaccinations will provide up to three (3) years of protection. Reduced licensing fees are available with proof of this spay or neuter sterilization. Remember, a licensed dog identifies the dog and the owner.

WHY DO I NEED A YEARLY DOG LICENSE IN NORCO?

The State of California Health and Safety Code, (Section 121690) requires that all dogs over the age of 4 months be licensed. A valid rabies certificate must be provided before a dog can be licensed in the city. The license is the tool used to insure all dogs are up to date on rabies vaccination. It is also a great way to insure that if your dog gets out of its yard, it is returned to you quickly. Multi-year licenses with discounts are available, and seniors 62 or over will be offered a senior rate on all altered dogs. All dog owners must renew their dog's license when they are due. Norco Animal Control has begun issuing Administrative Tickets to owners that do not renew their dog's license in a timely manner.

WHY DID I GET A PINK NOTICE ON MY DOOR FROM ANIMAL CONTROL SERVICES?

Officers canvass neighborhoods and leave a courtesy door hanger if we do not show any licensed dogs at your address. We frequently have new people moving into neighborhoods who may not be aware of licensing policies, and this allows us to keep new Norconians informed, as well as keeping records up-to-date. We appreciate those who take the time to call us and let us know they do not have any dogs. If you see our officers out in your neighborhood, take the time to say hello and feel free to ask our officers any animal control questions you may have!

98 Sixth Street, Norco, CA 92860 | (951) 737-8972

Office Hours: Tuesday, Wednesday, Thursday: 9 a.m.–6 p.m., Saturday: 10 a.m.–4 p.m.

ADOPTIONS

Thank you for choosing to adopt an animal and join others in the effort of saving lives. All dog adoption fees are \$91. All puppy adoption fees are \$111. All cat adoption fees are \$69. All kitten adoption fees are \$79. Please view our shelter animals waiting for a loving permanent family at www.petharbor.com or www.petfinder.com. We no longer allow overnight parking for high interest animals. We have gone to a lottery system.

We have many off-site adoption events throughout town and we hope to see you at them. Contact the Norco Animal Shelter for upcoming off-site adoption events.

SPAY, NEUTER & VACCINATE YOUR PETS

Please be a responsible pet owner and spay or neuter your pets. Each year, a large number of cats and dogs that have not been vaccinated come into the shelter ill. In turn, they infect other animals that are waiting to be redeemed or adopted.

LEASH LAW

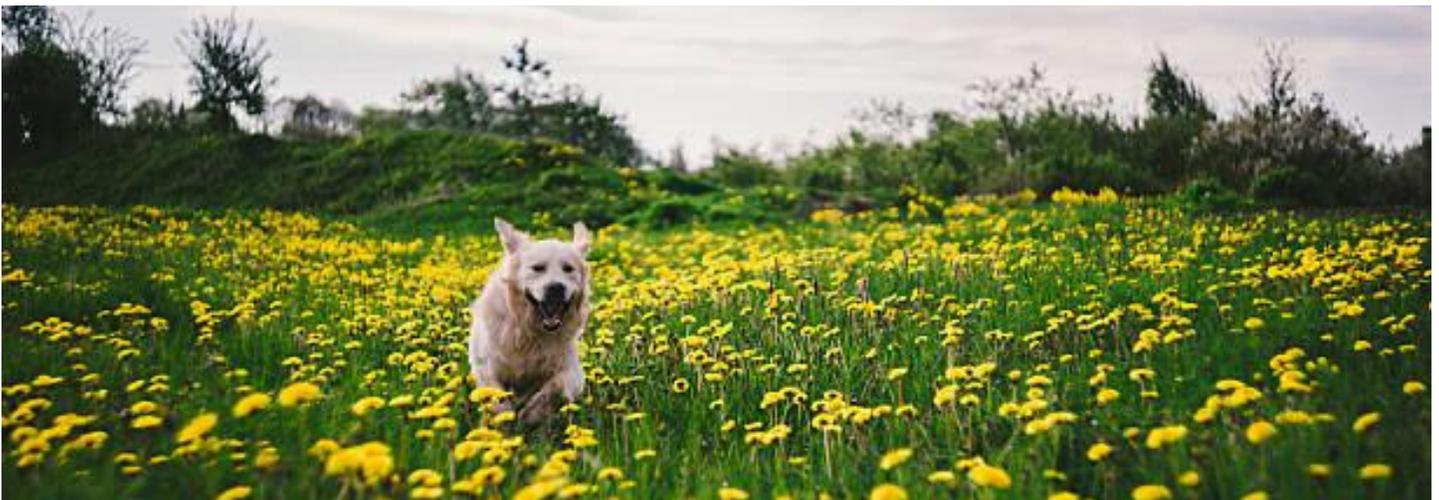

City of Norco Animal Control would like to remind you that a leash law is in effect city-wide. Remember to have your dog(s) on a leash at all times to avoid a possible citation. In the City of Norco, dogs must be leashed anytime they are in public. Remember, this also applies if your dog is with you when horseback riding.

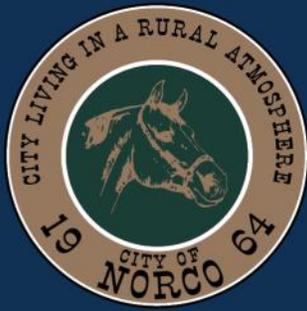

RESPECT YOUR NEIGHBOR

Not everyone will love your pet as much as you do. Keep your dog(s), cat(s), chicken(s), etc on your property. Don't force your pet's company on your neighbor or his property.

FRIENDLY REMINDER

Norco Animal Control Services has authority to issue Administrative Citations for parking in the horse trails.

Party Partners is dedicated to providing families and individuals with varied degrees of disabilities the opportunity to enjoy personal development and wellness.

One of the initial program participants was Paul Newman, who thrived with the help of Party Partners program and his sister Nancy Newman, who dedicated her life to his loving care and happiness. When Paul passed, Nancy wanted to show her gratitude by supporting the disabled community in Paul's honor. Ms. Newman named the City of Norco Party Partners program as a beneficiary of her trust and it is thanks to her support that the program has been reinstated and continues to serve adults with developmental disabilities.
