MAYOR HOFFMAN TO PRESENT THE 2018 STATE OF THE CITY ADDRESS

The Public is Invited to Attend and Explore Norco’s Vision for the Future on March 29, 2018

Norco, CA – The City of Norco will host its 2018 State of the City Address on March 29, 2018. Mayor Ted Hoffman will present this year’s Address, titled “Building Our Future: A City with Vision.” The State of the City presents an opportunity for residents, local businesspersons and community organizations to learn about the major issues lying ahead for the City of Norco, many of which affect all communities in Riverside County, the State of California and throughout America.

While Mayor Hoffman will highlight upcoming discussion topics, his Address will focus on the City’s legacy of vision, from its founding and establishment of the Lake Norconian Club in the 1920s, to more recent developments – equally visionary and innovative – such as the George Ingalls Equestrian Event Center and Veterans Memorial Plaza, the Sixth Street Gateway Sign, SilverLakes Sports Complex, and the new Norco Village Shopping Center. Prior to the Mayor’s Address, attendees are invited to enjoy a selection of appetizers and refreshments, and experience a display of signature projects that showcase the community’s tradition of executing vision and dedication to improving the quality of life in Norco.

The 2018 State of the City Address will be held on the second floor of The FieldHouse Restaurant and Bar at SilverLakes, located at 5555 Hamner Avenue in Norco. The reception will begin at 6 p.m. and the presentation will begin at 7 p.m., allotting approximately one hour to enjoy appetizers and refreshments, as well as the City’s display of signature projects. Admission and parking are free to the public. The 2018 State of the City Address is sponsored by Waste Management, Lewis Group of Companies, Willdan, Michael Baker International, SilverLakes, and the Western Riverside Council of Governments (WRCOG). For more information, please contact the City of Norco at (951) 270-5617 or info@ci.norco.ca.us.
